Overview

Hello, I'm a novice web developer, writer and Graphic Desginer. While I'm still in the early stages of my journey and don't have an extensive track record to brag about, I believe I can provide satisfactory results in researching any topic or task you may have in mind.

Experience

Graphic Design/Photo Editor

I have Design a Logo for a Photographer of 500 Shutter Production and sometime edited some the Raws given to me using Lightroom. I've also made template for a photobooth event from DheeSmile Photobooth and was also the operator of the booth

- Graphic Designer
- Editor
- Assistant/Operator

Web Developer

I made my own website using HTML and CSS to showcase my potential in this tass.

- Front-End
- HTML/CSS
- Responsive Design

Writer

While I may lack prior writing experience, I am confident in my ability to deliver satisfactory results on any topic I research.
