Overview

Hello, I'm a novice web developer, writer and Graphic Designer. While I'm still in the early stages of my journey and don't have an extensive track record to brag about, I believe I can provide satisfactory results in researching any topic or task you may have in mind. I also have slight Linux experience.

Experience

Graphic Design/Photo Editor

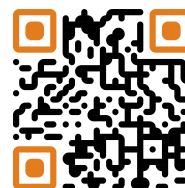

I have Design a Logo for a Photographer of 500 Shutter Production and sometime edited some the raws given to me using Lightroom. I've also made template for a photo-booth event from DheeSmile Photobooth and was also the operator of the booth

- Graphic Designer
- Editor
- Assistant/Operator

Web Developer

I made my own website using HTML and CSS to showcase my potential in this task.

- Front-End
- HTML/CSS/JS
- Responsive Design

Writer

While I may lack prior writing experience, I am confident in my ability to deliver satisfactory results on any topic I research.

Although these are the skills I currently have, I am willing to learn other skills outside any listed in this resume as long as it is related to IT fields.
