

Overview

Hello, I'm a novice web developer, writer and Graphic Designer. While I'm still in the early stages of my journey and don't have an extensive track record to brag about, I believe I can provide satisfactory results in researching any topic or task you may have in mind. I also have slight Linux experience.

John Patrick M. Juni

Experience

Web Developer
Graphic Designer
Writer

Graphic Design/Photo Editor

I have Design a Logo for a Photographer of 500 Shutter Production and sometime edited some the raws given to me using Lightroom. I've also made template for a photo-booth event from DheeSmile Photobooth and was also the operator of the booth
